

FRIJNS UNLIMITED

You are looking for a new challenge and want to make progress? This is your chance! For our exclusive car care based in Lanaken (Belgium) we are looking for qualified mechanics / car detailers. If you are ready to climb a new level of performance with us, you fit perfectly into our team!

CAR MECHANIC

Your tasks:

- Independent implementation of service and repair work in the entire auto service area on different vehicle types (sports cars, oldtimers, etc.)
- Processing and maintenance of mechanical and electronic parts and components
- Carrying out fault diagnoses, inspections and preparation of general inspections
- Maintenance and management of tool and material equipment
- All common specialist tasks of a car mechanic
- Preparation of vehicles and cooperation with suppliers
- Keep work area neat and clean
- Moving and parking vehicles, delivering vehicles to correct locations or picking owners or drivers up if needed
- Together with the team, you achieve a high level of quality and ensure that timelines are met
- With your support you make a significant contribution to the customer satisfaction and the company's success

What you bring:

- You are a car mechanic or similar and bring minimum 3 years of work experience (most likely in premium car sector)
- High technical competence
- Motivation to work with different car brands, oldtimers, exclusive cars
- Ability to process orders independently
- High motivation and reliability
- Ability to work in a team
- Drivers licence B (ideally also BE)
- Precision and attention to details
- Ability to meet the physical demands of the position, including walking, crouching, bending, and standing for extended periods
- Willingness to comply with all company policies and uphold standards for service quality

What we offer you:

- Modern work environment with quick decision paths
- Completely new workshop
- Diversified work
- Fair payment
- Free parking
- Beverage dispenser
- Teambuilding events
